## **SUPERVISORS SUPPORT ANDERSON’S PLAN TO SHUT DOWN ILLEGAL POT SHOPS**

### ***\$2.8 Million Approved for Next Two Years for Six New Positions in Sheriff’s Department***

(EL CAJON, CA) – Stating that “the scourge of illegal pot shops has been out of control in East County,” Supervisor Joel Anderson announced today that the San Diego County Board of Supervisors unanimously approved his plan to spend \$2.8 million in the next two years, starting July 1. This is in addition to the \$500,000 approved at his behest earlier this year.

**Four new deputies, one sergeant and a crime analyst will be funded.**

Up to now, closed illegal shops would quickly re-open in new locations. “Unfortunately, it’s been like a ‘whack a mole’ game,” said Anderson, who noted that many of these illegal pot shops are near schools or churches and are run by gangs and organized crime.

“I want to praise my colleagues in understanding that before considering licensing any new legal pot shops, we must ensure illegal shops are shut down for good,” said Anderson. Later this summer, Supervisor Anderson—who represents almost 300,000 residents in in unincorporated parts of San Diego County—will be bringing forward an ordinance to implement stricter guidelines for enforcement.
